SECONDARY**

# PREMIER ENTRANCE PREPARATION PROGRAMME

📍 KOZHIKODE

## **ABOUT PEPP**

Premier Entrance Preparation Programme (PEPP) is an initiative of Incubation to help the students to pursue their higher studies in the institutes of excellence in India.

PEPP with its holistic approach attempts to guide students through selection of courses of their choices initially. We prepare our students by giving them awareness initially and then preparing them as per their aptitude.

Through this initiative, Incubation aims to bring intellectually brighter students in to the fields of academia and research at the earlier stage of their students life.

## OUR STREAM

Coaching for  
**Under Graduate  
& Integrated  
Programmes** in  
Central Universities
